REVISION DATE: 11/03/2019

ACTIONS TO STOP DOING

- Stop procrastinating
    - We definitely need to spend the earlier parts of the sprint working rather than the later parts

ACTIONS TO START DOING

- Start earlier
    - Same as the first point on what to stop doing
- Better communication
    - We were not communicating as well as we should have and should be more communicative outside of our sprints

ACTIONS TO KEEP DOING

- Learning
    - Everyone is learning quickly
- Making PRs
    - Making small PRs often is much better than a large PR at the end of the sprint

WORK COMPLETED

- (13) As a developer, I want to create an abstract data store to hold all of the documents

- ○ Persist the data in a local database of some sort (2 hours)
- (21) As a user, I want previous text written to fade as I type
  - ○ Create an editable text box (1 hour)
  - ○ Research a way to have text fading (5 hours)
  - ○ Have text reappear as you backspace (3 hours)
- (13) As a user, I want to be able to open a document and write in it
  - ○ Allow for a sidebar to show all available documents and selecting them loads a different document on the right side (4 hours)
- (13) As a user, I want the text to save as I type
  - ○ On text change, save the document (3 hours)
- (5) As a user, I want a clean and consistent user interface
  - ○ Use Bulma to make the interface look simple and clean (8 hours)

WORK NOT COMPLETED

- (8) As a user, I want to be able to disable the fading
  - ○ Have a button that disables the fading (3 hours)
- (5) As a user, I want to be able to create documents
  - ○ Have a button that creates a new document (3 hours)
